

*a way of life...*

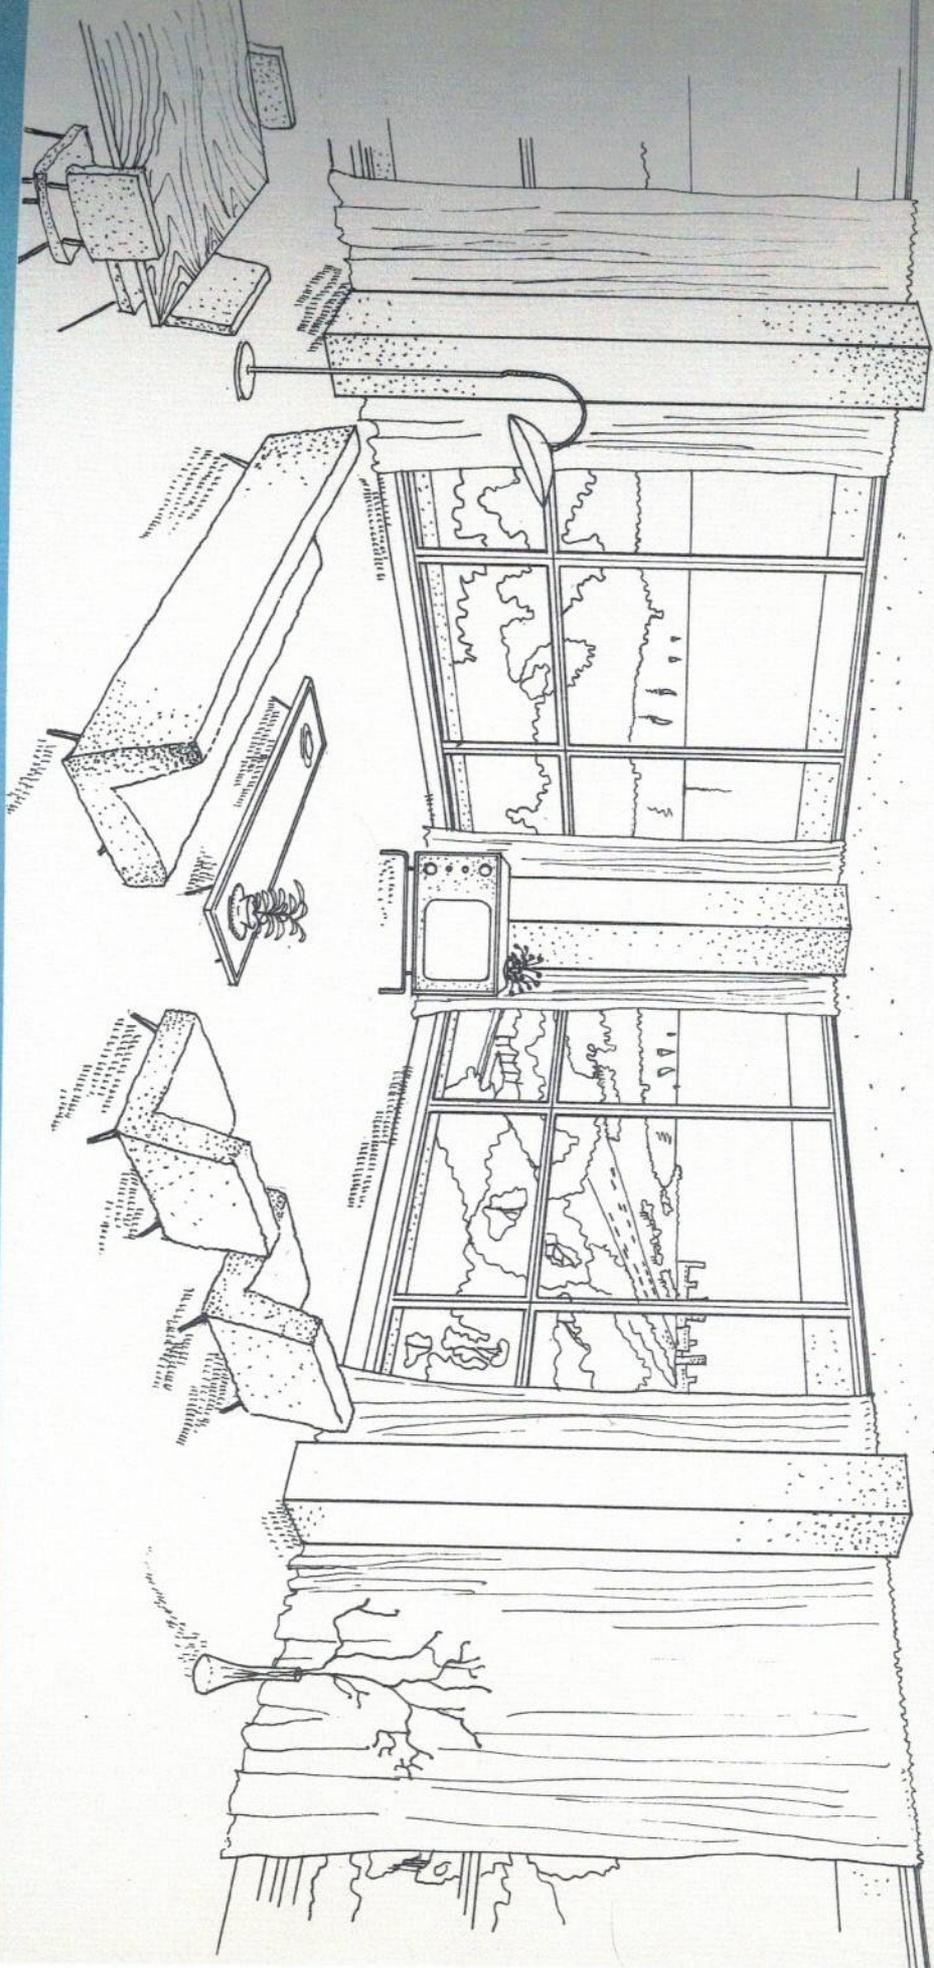

320 **OAKDALE**

# modern

Here is a building conceived for you . . .  
Designed for your functional needs and  
supplying beauty . . .

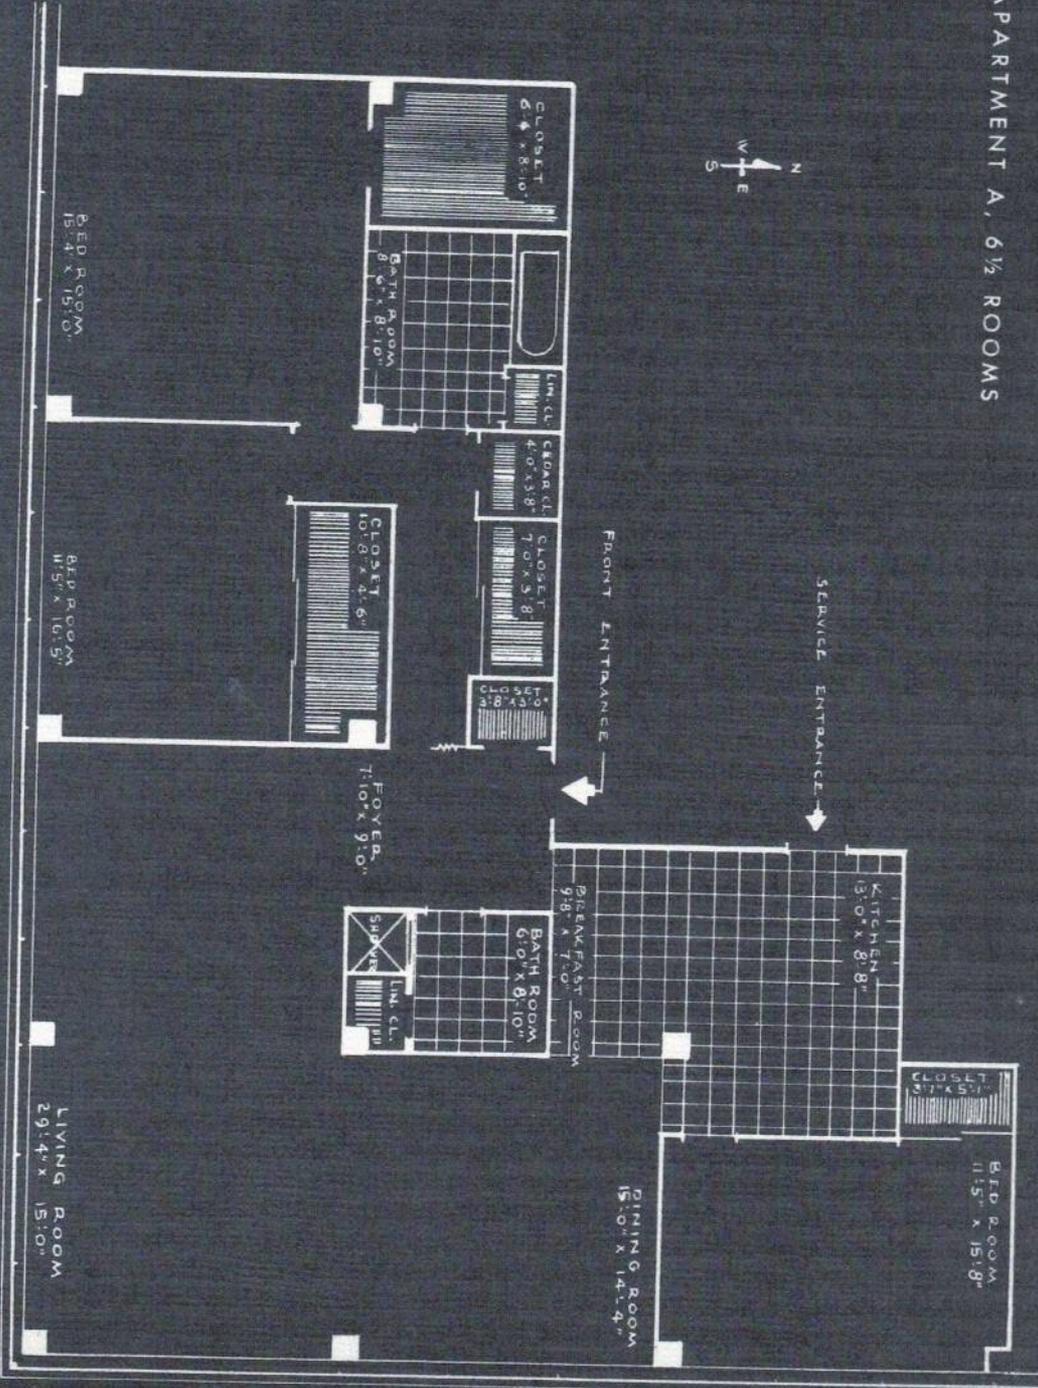

# spacious

Rooms are of such magnitude that they afford you the ultimate in gracious living. This is a designer's dream fulfilled.

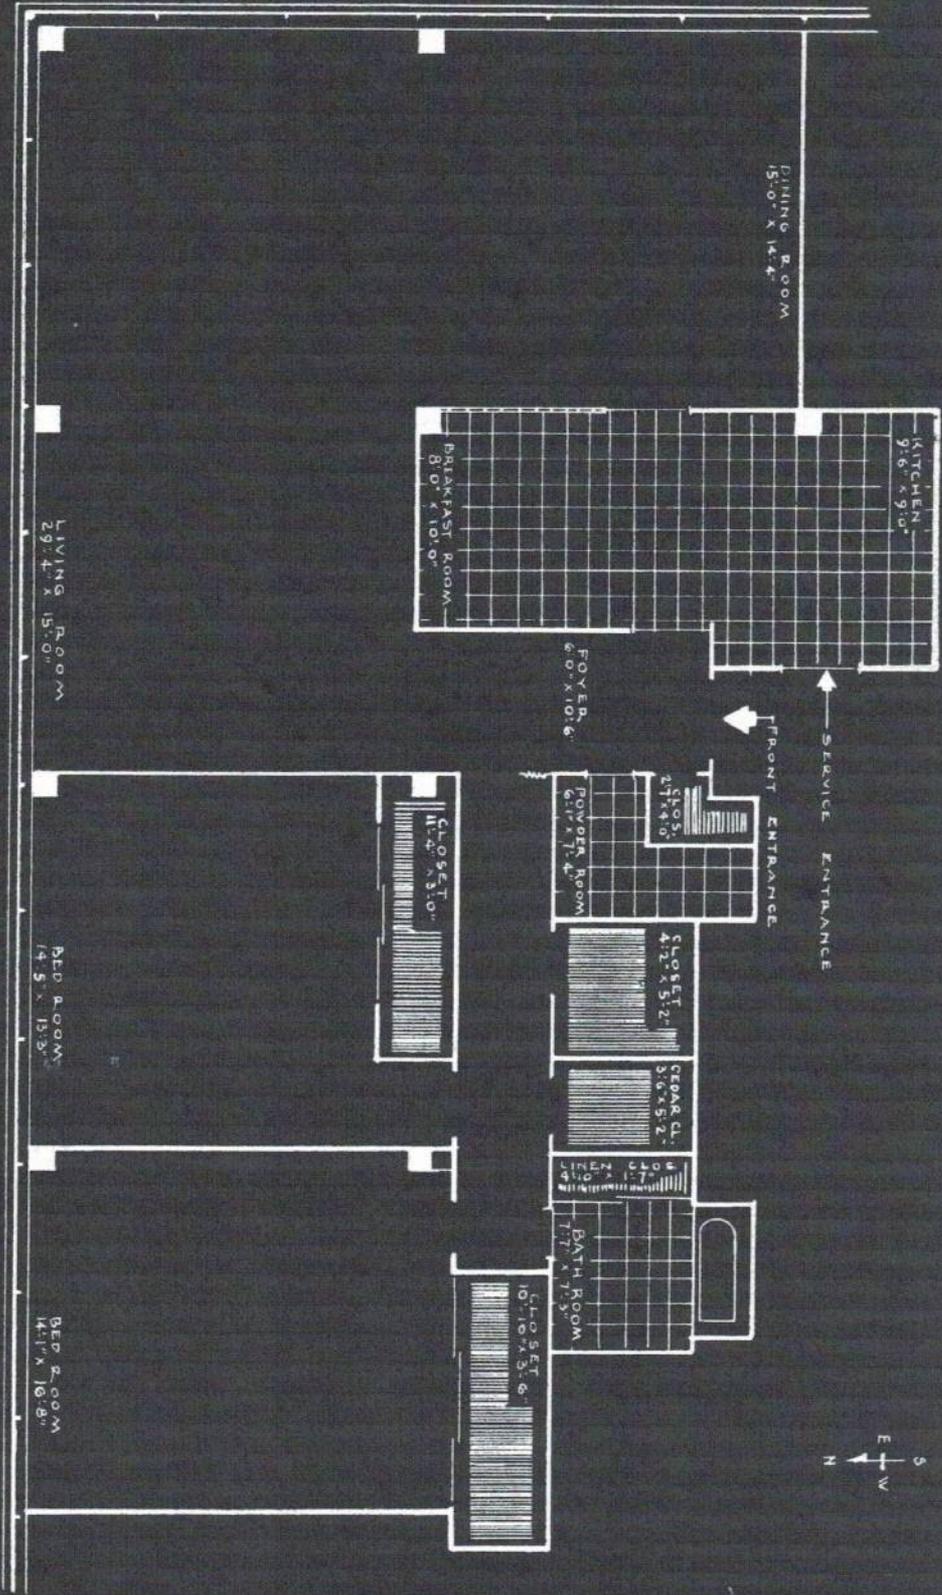

TYPICAL APARTMENT A, 6 1/2 ROOMS

*Luxury*

The latest in design and architecture  
providing you with modern living in absolute  
elegance. This is your apartment overlooking  
picturesque Lake Michigan.

TYPICAL APARTMENT B, 5 1/2 ROOMS

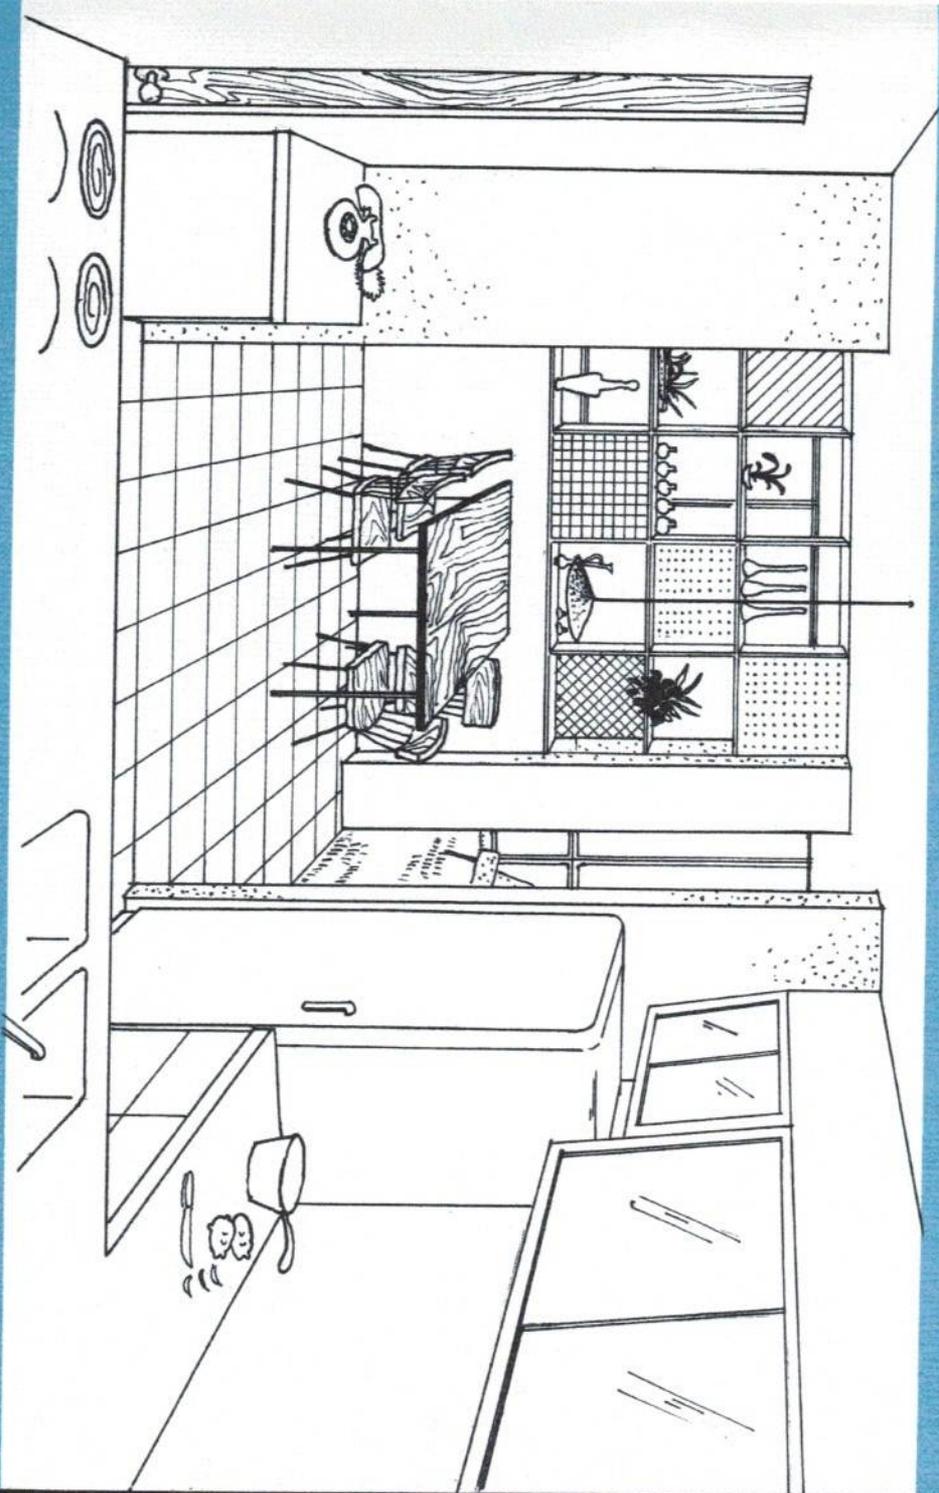

cool

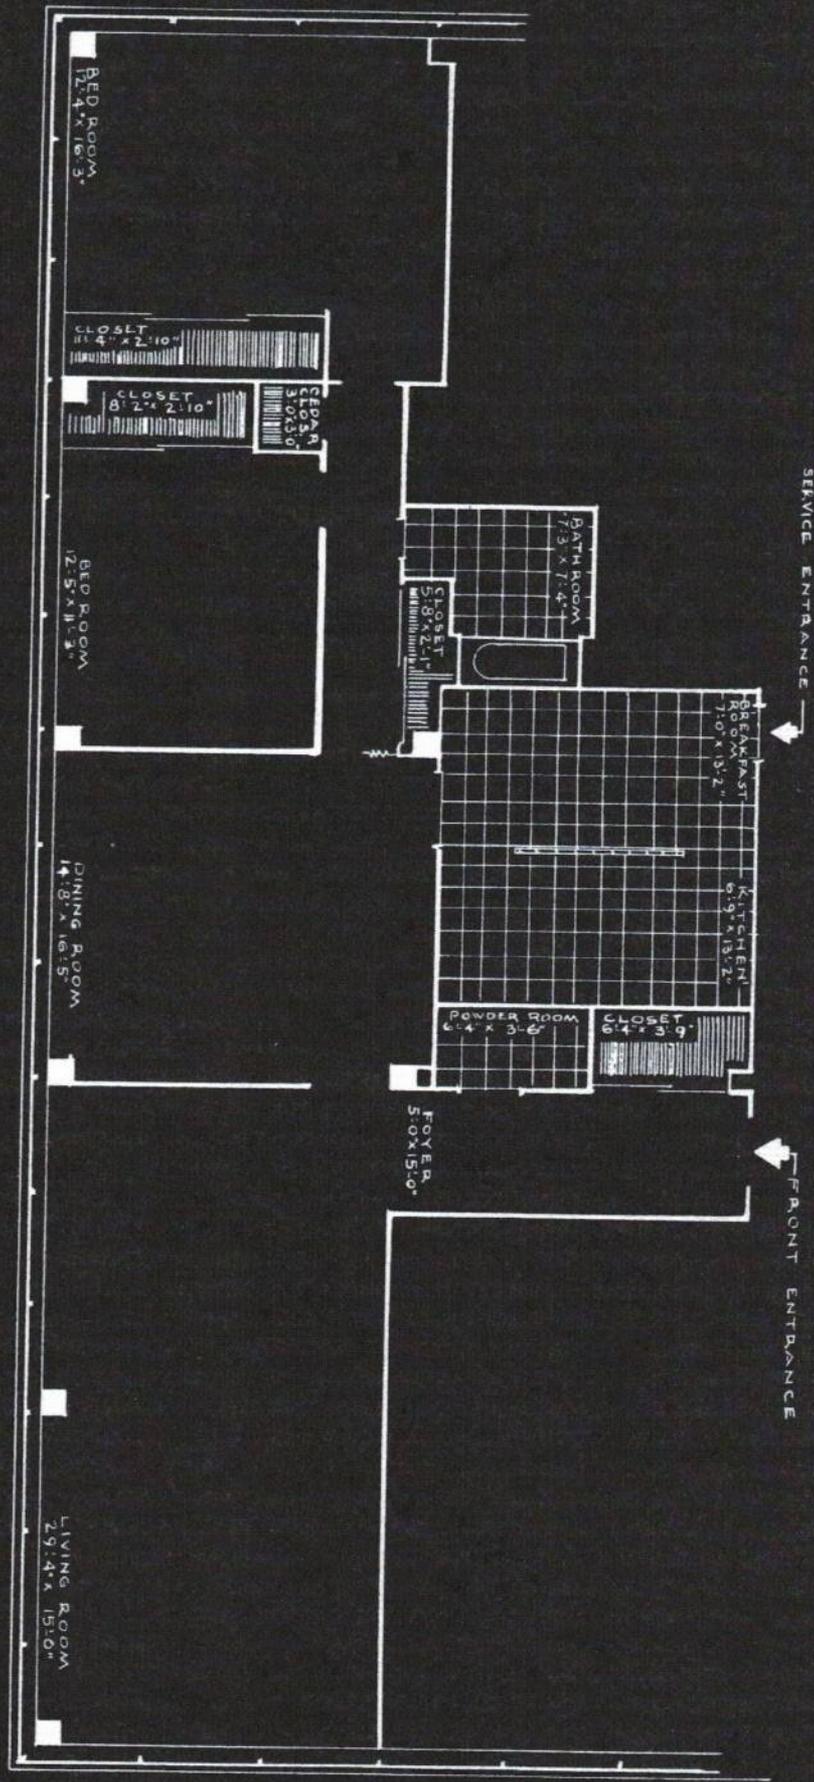

Chicago's first completely air-conditioned all glass multiple-story apartment building. In summer you will have a haven of coolness in your own apartment.

# Bright

Sparkling interiors provide a cheerful, gay  
homelike atmosphere throughout all apartments.

TYPICAL APARTMENT C, 5 1/2 ROOMS

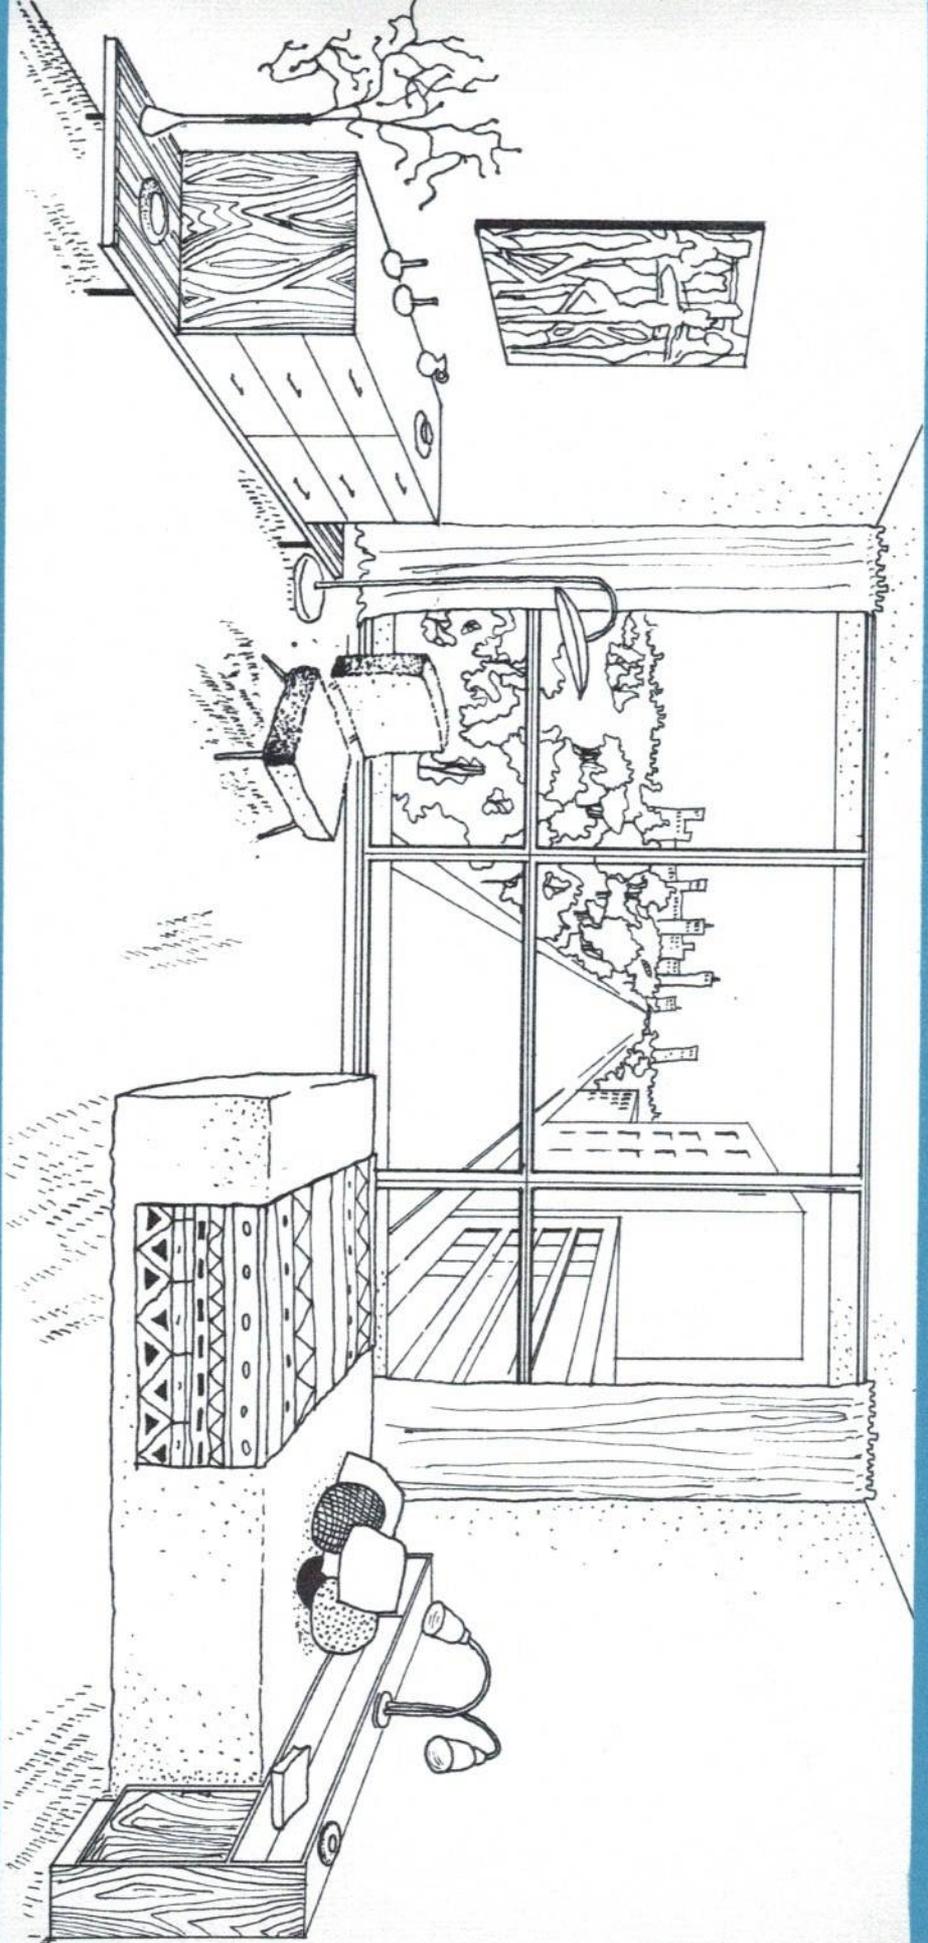

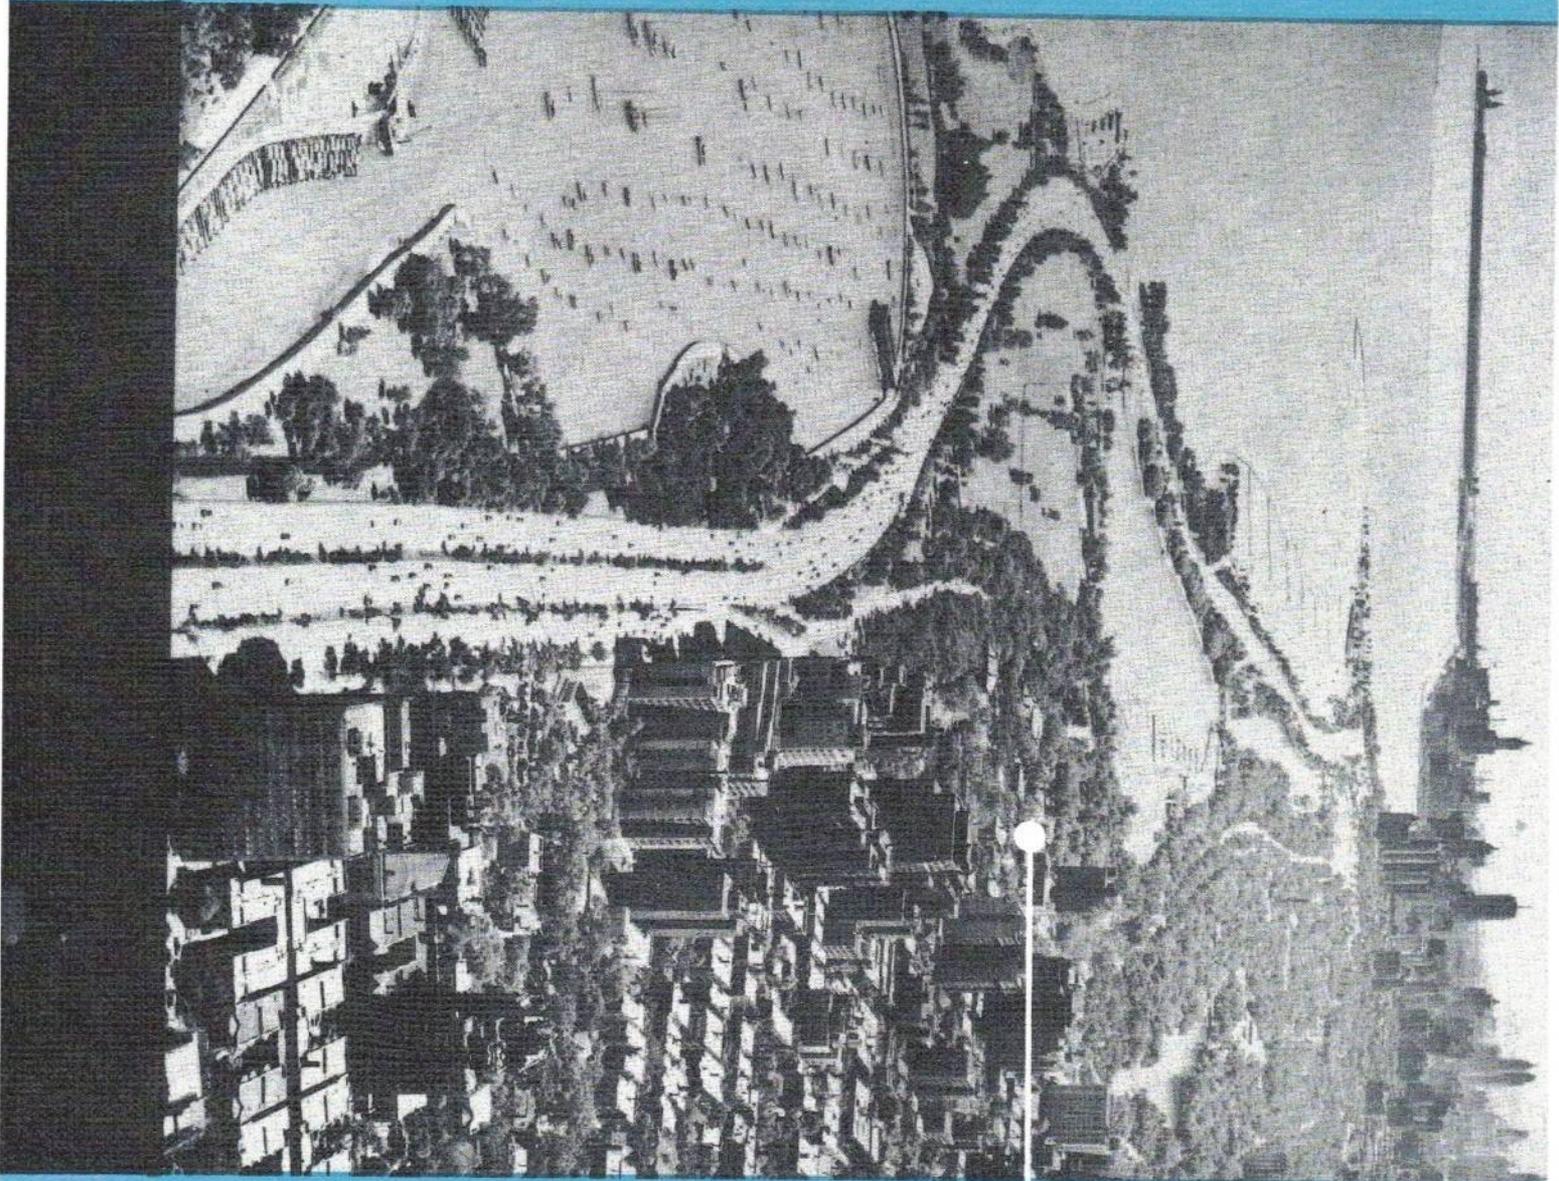

*new*

The cantilever design creates sun control which offers you maximum natural light while eliminating direct sun rays during summer and allowing sun to enter your apartment during winter.

*comfort*

**Sleep in complete relaxation.  
Cool summers and warm winters are yours at the  
turn of a switch.**

## convenient

Located in the most fashionable section of the city overlooking majestic Lake Michigan and magnificent Lincoln Park. All facilities for work, play and transportation are readily accessible on Chicago's famous Near North Side within a few minutes of the loop. Adequate parking facilities are available on the grounds.
